

Fiche developed in the frame of 	TYPE:		AREA:
	Conference	Training	Robotics, autonomous systems, artificial intelligence
	European, national, regional project Funding opportunities	University course Postgraduate studies	C4ISTAR : command, control, communications, computers, information/intelligence, surveillance
	Policy	Journal	Cybersecurity
Title:			
Secure Computing Continuum (IoT, Edge, Cloud, Dataspaces)			
Financing entity	European Commission		
Managing entity	-		
Programme	Horizon Europe Framework Programme (HORIZON)		
Type of action	HORIZON-IA HORIZON Innovation Actions		
Call	Increased Cybersecurity 2023 (HORIZON-CL3-2023-CS-01)		
Objectives of the call	Projects' results are expected to contribute to some or all of the following outcomes: <ul style="list-style-type: none"> • Tools to support cybersecurity resilience, preparedness, awareness, and detection within critical infrastructures and across supply chains; • Cloud infrastructures vulnerabilities mitigation; • Secure integration of untrusted IoT in trusted environments; • Use of Zero-Trust architectures; • Trust & Security for massive connected IoT ecosystems & lifecycle management; • Secure interoperability and integration of systems; • AI-based automation tools for cyber threat intelligence; • Secure infrastructure, secure Identities and usability for a security chain covering communication, data collection, data transport, and data processing. 		
Who can apply?	Any legal entity, regardless of its place of establishment, including legal entities from nonassociated third countries or international organisations (including international European research organisations) is eligible to participate (whether it is eligible for funding or not), provided that the conditions laid down in the Horizon Europe Regulation have been met, along with any other conditions laid down in the specific call topic.		
How to apply?	Electronically via the Founding & Tenders Portal Electronic Submission System		
Duration			
Deadline	23 November 2023		
Maximum amount/ Call budget	Call budget: EUR 20 000 000
