<b>Title:</b> <b>EUROPEAN CYBERSECURITY JOURNAL</b>			
Description	<p>The European Cybersecurity Journal (ECJ) is a specialised publication devoted to cybersecurity. The main goal of the Journal is to provide concrete policy recommendations for European decision-makers and raise awareness on both issues and problem-solving instruments. The Journal had its premiere during the CYBERSEC Forum 2015.</p> <p>The ECJ is a platform of regular dialogue on the most strategic aspects of cybersecurity. Readers of the ECJ get insights on the most important trends in cybersecurity and have an opportunity to get to know first-hand perspectives from leading specialists.</p>
