<b>Title:</b> <b>European cybersecurity network and competence centre</b>			
Description	Regulation (EU) 2021/887 of the European Parliament and of the Council of 20 May 2021 establishing the European Cybersecurity Industrial, Technology and Research Competence Centre and the Network of National Coordination Centres (OJ L 202, 8.6.2021, pp. 1-31) The ECCC has an essential role in the digital Europe programme (set up under Regulation (EU) 2021/694) and contributes to Horizon Europe. It creates a framework for increasing and coordinating investments in cybersecurity between the European Union (EU), EU Member States and, indirectly, industry.		
Goal	The European Cybersecurity Competence Centre (ECCC) aims to increase Europe's cybersecurity capacities and competitiveness. It works together with a Network of National Coordination Centres (NCCs) to build a strong cybersecurity community. It implements relevant parts of the Digital Europe and Horizon Europe programmes by allocating grants and carrying out procurements.		
Country	European Union, European Union Member States		
Organization	European Parliament		
Connected initiatives	Regulation (EU) 2021/694, Directive (EU) 2016/1148, Regulation (EU) 2019/881		
Funding	European Union, European Union Member States
