Title: European Defence Fund (2021-2027)			
Description	Regulation (EU) 2021/697 of the European Parliament and of the Council of 29 April 2021 establishing the European Defence Fund and repealing Regulation (EU) 2018/1092 (OJ L 170, 12.5.2021, pp. 149-177) It sets up the 2021-2027 European Defence Fund. The fund aims to foster the competitiveness, efficiency and innovation capacity of the European defence technological and industrial base throughout the European Union (EU).		
Goal	The general objective of the Fund is to foster the competitiveness, efficiency and innovation capacity of the European defence technological and industrial base (EDTIB) by supporting collaborative actions and cross-border cooperation between legal entities throughout the Union as well as by strengthening and improving the agility of both defence supply and value chains, widening cross-border cooperation between legal entities and fostering the better exploitation of the industrial potential of innovation, research and technological development.		
Country	European Union, European Union Member States		
Organization	European Parliament
